Agencies Involved:**Updates**

Date: 9/30/2014 **Status:** Reviewed - No Action Required

Author: Roberts, Kris

Updated Oil Volume:

Updated Salt Water Volume:

Updated Other Volume:

Updated Other Contaminant

Notes:

Release from a pipeline leak of dry natural gas. No liquids involved and no stressed vegetation or stained soils encountered according to the company contact through email communication this date. After consultation with NDDoH Division of Air Quality, it was determined that no on-site inspection is necessary at this time, as dry natural gas dissipates rapidly in the atmosphere.
